The following procedures have been adopted and will be diligently enforced.

After you have carefully read this policy manual, please sign and return the agreement form located on the last page.

Sincerely,

Thomas Hill

Overview of Crestview Baptist Church Safety System

Because we desire to protect children involved in our ministry, Crestview Baptist Church requires all staff members and volunteers working with children or students (and other vulnerable populations) to complete **FOUR SAFETY STEPS** before ministry work or volunteer placements begin.

STEP ONE: Sexual Abuse Awareness Training

Crestview Baptist Church policies and procedures require that staff members and volunteers avoid abusive behavior of any kind. Staff members and volunteers are required to report any policy violations to a supervisor or a member of the Crestview Baptist Church Safety Committee. Staff members and volunteers should have a basic understanding of the characteristics of sexual abusers and their behaviors in 'grooming' a child for sexual abuse. Grooming is the process used by an abuser to select a child, win the child's trust (and the trust of the child's parent or 'gatekeeper'), manipulate the child into sexual activity and keep the child from disclosing the abuse.

To equip staff members and volunteers with information necessary to recognize abuser characteristics and grooming behavior, Crestview Baptist Church requires all staff members and volunteers to complete sexual abuse awareness training. This training will be renewed every two years.

STEP TWO: Screening Process

Staff members and volunteers working or serving with children are required to complete Crestview Baptist Church's Screening Process, which includes:

- an Employment Application (employees only);
- a Safety Application (employees and volunteers);
- a face-to-face interview (employees and volunteers); and
- references to be checked (employees and volunteers).

*A volunteer must be a member of Crestview Baptist Church for six months before being eligible to serve in positions providing ministry services to children or students.

STEP THREE: Policies & Procedures

Staff members and volunteers are required to review the policies contained in this manual and sign the last page indicating that he or she has read and understood the material and agrees to comply with policy requirements.

STEP FOUR: Criminal Background Check

Crestview Baptist Church requires that all staff members and volunteers working or volunteering in children's or students' activities undergo a criminal background check. Depending upon the ministry position, differing levels or intensity of criminal background check may be required.

Child Safety Policy

ABUSE TOLERANCE

Crestview Baptist Church has a **zero tolerance for abuse** in ministry programs and ministry activities. It is the responsibility of every staff member and volunteer at Crestview Baptist Church to act in the best interest of all children in every program.

In the event a staff member or volunteer observes any inappropriate behaviors (i.e. policy violations, neglectful supervision, poor role-modeling, etc.) or suspected abuse or neglect (physical, emotional, or sexual) it is that individual's responsibility to immediately report their observations to a Ministerial Staff Member or an Elder.

REPORTING SUSPICIOUS OR INAPPROPRIATE BEHAVIORS

Crestview Baptist Church is committed to providing a safe, secure environment for children and their families. To this end, any report of inappropriate behaviors or suspicions of abuse or neglect will be taken seriously and will be reported, in accordance with this policy and state law, to Child Protective Services, or another appropriate agency.

Because sexual abusers 'groom' children for abuse, it is possible a staff member or volunteer may witness behavior intended to 'groom' a child for sexual abuse. Staff members and volunteers are asked to report 'grooming' behavior, policy violations, or any suspicious behaviors to a Ministerial Staff Member or an Elder.

ENFORCEMENT OF POLICIES

Crestview Baptist Church staff members and volunteers who supervise other staff members or volunteers are charged with the diligent enforcement of all Church policies. Violations of these policies are grounds for immediate dismissal, disciplinary action, or reassignment from Children's Ministry positions for both volunteers and staff members. Final decisions related to policy violations will be the responsibility of a Ministerial Staff Member or an Elder.

Reporting Abuse or Suspicions of Abuse

REPORTING VIOLATION OF POLICY

All questions or concerns related to inappropriate, suspicious, or suspected grooming behavior should be directed to an immediate supervisor in the ministry area, a Ministerial Staff Member or an Elder.

CONSEQUENCES OF VIOLATION

Any person accused of committing a prohibited act or any act considered by the church to be harmful to a child will be immediately suspended from participation in Children's Ministry. This suspension will continue during any investigation by law enforcement or Child Protective agencies.

Any person found to have violated this policy may be prohibited from future participation as a staff member or volunteer in all activities and programming involving children or students at Crestview Baptist Church. If the person is an employee, such conduct may also result in termination of employment from Crestview Baptist Church.

Failure to report a policy violation is grounds for termination of an employee. Volunteers who fail to report a policy violation may be restricted from participation in any future activities involving children or students at Crestview Baptist Church.

REPORTING SUSPICIONS OF ABUSE TO LAW ENFORCEMENT AGENCIES

Georgia law, O.C.G.A. § 19-7-5, requires certain persons to report suspected child abuse (i.e. physical, emotional, sexual, neglect, etc.) to the appropriate authorities. (c) The following persons having reasonable cause to believe that suspected child abuse has occurred shall report or cause reports of such abuse to be made as provided in this Code section: (A) Physicians licensed to practice medicine, physician assistants, interns, or residents; (B) Hospital or medical personnel; (C) Dentists; (D) Licensed psychologists and persons participating in internships to obtain licensing pursuant to Chapter 39 of Title 43; (E) Podiatrists; (F) Registered professional nurses or licensed practical nurses licensed pursuant to Chapter 26 of Title 43 or nurse's aides; (G) Professional counselors, social workers, or marriage and family therapists licensed pursuant to Chapter 10A of Title 43; (H) School teachers; (I) School administrators; (J) School counselors, visiting teachers, school social workers, or school psychologists certified pursuant to Chapter 2 of Title 20; (K) Child welfare agency personnel, as such agency is defined in Code Section 49-5-12; (L) Child-counseling personnel; (M) Child service organization personnel; (N) Law enforcement personnel; or (O) Reproductive health care facility or pregnancy resource center personnel and volunteers... faculty/teachers, administrators, counselors, social workers, psychologists, law enforcement personnel, and other persons who participate in providing care, treatment, education, training, supervision, coaching, counseling, recreational programs or shelter to minors.

(h) Any person or official required by subsection (c) of this Code section to report a suspected case of child abuse who knowingly and willfully fails to do so shall be guilty of a misdemeanor.

(g)... a member of the clergy shall not be required to report child abuse reported solely within the context of confession or other similar communication required to be kept confidential under church doctrine or practice. When a clergy member receives information about child abuse from any other source, the clergy member shall comply with the reporting requirements of this Code section, even though the clergy member may have also received a report of child abuse from the confession of the perpetrator.

WHEN IN DOUBT, REPORT.

RESPONSE TO REPORT OF ABUSE

Crestview Baptist Church Leadership will take appropriate action on behalf of the church when a report of abuse occurs.

Crestview Baptist Church Safety Committee

SAFETY COMMITTEE

Recognizing the importance of providing and maintaining a safe environment for children, Crestview Baptist Church will appoint and maintain a Safety Committee, which will meet twice each year.

MISSION STATEMENT

The purpose of the Safety Committee is to enable Crestview Baptist Church Children's and Student Ministries to carry out appropriate ministry activities while safeguarding program participants against emotional, physical or sexual abuse.

COMPOSITION

The Safety Committee on each campus will be comprised of the following members:

1. Senior Pastor
2. Ministerial Staff
3. Children's Ministry Supervisors appointed by Ministerial Staff
4. Any designee of the Elder Team.

MEETINGS

The Senior Pastor will chair the meeting of the Safety Committee on a bi-yearly basis to discuss risk management practices and updates. The Safety Committee will also meet on an emergency basis upon the recommendation of a committee member or following the report of any incident or allegation.

RESPONSIBILITIES

The Safety Committee will be charged with the following duties:

1. Applying existing Crestview Baptist Church policies and procedures related to children's safety and risk management issues.
2. Monitoring all Children's Ministry programs for ongoing compliance with safety policies.
3. Making recommendations to the Crestview Baptist Church Elder Team regarding safety issues.

Children's Ministry Staff Monitoring Plan

Monitoring of staff members and volunteers will include regular (announced and unannounced) visits in each program to provide supervisors the opportunity to observe staff member and volunteer interaction with children.

1. **Each supervisor** conducts an unscheduled observation at least once each week for programs that occur weekly.
2. **Children's Minister** conducts written performance evaluations every six months for individuals in paid staff positions.
3. **Children's Minister** conducts periodic verbal performance evaluations that address participation in risk management training and adherence to risk management procedures.
4. **Children's Minister** conducts an unscheduled observation of a Children's Ministry program at least once each month.
5. **The Senior Pastor** meets with the Children's Minister at least once monthly to discuss Children's Ministry, including safety training and procedures.
6. **The Elder Team** meets with the Children's Minister once each year to discuss Children's Ministry, including safety training and procedures.

BUILDING SAFETY

The Children's Minister will be responsible for ensuring that the Children's

Building is monitored during Sunday classes or programming. This will include unobserved monitoring of staff members, volunteers and children in children's classrooms.

No child will ever be left unattended in the Children's Building or on the children's playground during children's ministry programming or classes. Children's Ministry staff members or volunteers are prohibited from being alone with an individual child in any room or building. In the event a staff member or volunteer finds himself/herself alone with a single child, that staff member or volunteer will take the child to a room or building occupied by others, or to a location easily observed by others. (Example: if a child is the last in a class to be picked up by a parent, move to an adjoining room where other staff members or volunteers are present.)

After every programming event, Children's Ministry staff members and volunteers must ensure every room and restroom is checked prior to leaving.

On the children's playground, staff members and volunteers are to circulate, watching children during play periods, giving particular attention to the areas not easily seen from all viewpoints. (Example: under slides, in corners, behind structures).

Any two children together in an unseen or less easily viewed area should be redirected to another (more open) area of the playground.

WORKER TO CHILD RATIOS

Crestview Baptist Church is committed to providing adequate supervision in all Children's Ministries programs. Accordingly, the following worker to child **minimum ratios** will be observed:

Program	Workers	Children
Nursery	2	8
Preschool, 2 and 3 years old	2	12
Preschool, 4 and 5 years old	2	18
Elementary	2	20
VBS	2	20

If a worker is 'out of ratio' it is his or her responsibility to immediately notify the program supervisor or the Children's Minister. Supervisors will make diligent efforts to find substitute workers to immediately bring worker to children ratios into compliance with Church policy.

DISCIPLINE

It is our policy that staff members and volunteers are prohibited from using physical discipline in any manner for behavioral management of children. **No form of physical discipline is acceptable.** This prohibition includes spanking, slapping, pinching, hitting, biting or any other physical force as retaliation or correction for inappropriate behaviors by children. Children are to be disciplined using time-outs and other non-physical methods of

behavior management. In employing this procedure, staff members and volunteers should observe the following guidelines:

- 1) Verbally redirect the child before physically intervening. With younger children some physical redirection may be necessary (for example, removing a toy from the hands of a child that is hitting another).
- 2) If the behavior does not cease, remove or direct the child away from the group to a corner of the room where the group is meeting (avoid being alone with the child).
- 3) Provide the child with a simple, understandable reason for the time-out, and provide the child with clear explanation of your expectations. (“Jamie, you didn’t stop hitting Chris when I asked you to, so you need to sit quietly in the blue chair for three minutes.”) In addition, be verbally reassuring, as being removed from the group will likely upset the child. Do not physically hold a child in time-out.
- 4) Provide the child with a chair to sit in or a “spot” to sit on (using a pillow, blanket, carpet square, etc.) until their time-out is complete.
- 5) Follow the rule of thumb that a time-out is ineffective if it lasts longer than one minute for every year of the child’s life (3 years old, 3 minutes).
- 6) Monitor the child through the entire time-out without giving your undivided attention. For longer time-outs give intermittent praise to reassure the child and keep them on task. (“Jamie, you’re doing a great job of sitting quietly – just 2 more minutes.”)
- 7) Praise the child once he or she has completed the time-out and tell them that their reward is being able to rejoin the group. Remind them that repeating their initial behavior will result in further time-out. Follow this with praise.

Uncontrollable or unusual behavior should be reported immediately to parents and the immediate supervisor or the Children’s Minister.

BATHROOM SUPERVISION AND ASSISTANCE GUIDELINE

Nursery children

Because nursery children may require complete assistance with their bathroom activities, all staff members and volunteers will observe the following policies:

Diapering

- 1) Only female nursery workers or the child’s parent or legal guardian will undertake the diapering of children of either sex.
- 2) Changing of diapers should be done in plain sight of other nursery workers.
- 3) Children will never be left unattended on changing tables.

- 4) Any special instructions given by parents leaving children in nursery must be communicated to nursery workers. (“Seth Adams has a diaper cream in the bag for rash.”)
- 5) Children should be re-diapered and re-clothed immediately upon the completion of changing their soiled diaper.
- 6) Children should be changed on changing stations only.

Toilet training

- 1) No child will be forced to toilet train.
- 2) Only female nursery workers or the child’s parent or legal guardian will participate in toilet training efforts with children of either sex.
- 3) When children are taken into bathrooms the door will be left partially open.
- 4) Young children will never be left unattended in bathrooms.
- 5) Parents should be consulted on each child’s progress in the toilet training process before leaving the child with volunteers or staff members. Any special instructions given by parents leaving children in the nursery will be communicated to the nursery workers. (“Stephanie can use the toilet, but she needs to be reminded – ask her if she needs to go.”).
- 6) Children should be verbally assisted where possible. If physical assistance is necessary, another staff member or volunteer should be present, when possible.
- 7) “Accidents” should be handled by reassuring the child and completing the changing of diapers or underwear and clothing. Extra clothing and diapers are available in the children’s area, if the parent has not furnished a clothing change.

School age children

School age children may be accompanied to the restroom for supervision and assistance when needed. Children should receive the minimum amount of assistance needed based upon their individual capabilities. Staff members and volunteers should never take a lone child to the restroom.

If a staff member or volunteer must go into the restroom to check on an individual child, he or she should seek out another worker to accompany him/her. If another worker is not available to accompany, he/she should go to the exterior bathroom door, knock, and ask if the child needs assistance. If the child requires assistance, the worker should leave the exterior bathroom door open when entering the bathroom area and try to verbally assist the child in completing their activities, while the child remains behind the door of the bathroom stall. Any assistance with the straightening or fastening of garments should be done in the presence of another staff member or volunteer.

Special needs

Parents will offer instruction to staff members or volunteers to change the diapers of special needs individuals. After the age of 4, parents or legal guardians will change all special needs individuals.

INTOXICANTS

Staff members and volunteers are prohibited from the use, possession, or being under the influence of alcohol or any illegal drug while in any church facility, while traveling with children, or while working with or supervising children during any Crestview Baptist Church program or activity.

OUTSIDE FOOD AND DRINK

Infant Nursery

Volunteers may not bring food or drink with them when they serve. Parents may leave bottles/personal cups for their children while in the care of Crestview Baptist Church. If a parent would like for their child(ren) to be fed while in the care of Crestview Baptist Church, the parent must sign the release form together with an “in-room” feeding schedule; specifying the time and any instructions for feeding. Bottles will be clearly marked with colored bands assigned to the specific child. Bottles will only be given at the specific time notated on the feeding schedule in the Nursery. In most classrooms, an age appropriate snack and water are supplied for snack time. No other outside food or drink is permitted in the infant nursery.

Preschool and Elementary

No outside food or drink will be allowed into Preschool or Elementary age environments. Volunteers may not bring food or drink with them when they serve. Parents may not leave food or drink for their children while in the care of Crestview Baptist Church. In most classrooms, an age appropriate snack and water are supplied for snack time. Volunteers will not provide any food or drink to children outside of these two things.

MEDICATION

A staff member or volunteer may not administer medication to any child while serving in Children’s Ministry. If a parent desires to medicate their child(ren) at a certain time, they may temporarily check-out their child and make use of the family area in the hallway.

NUDITY

Staff members and volunteers serving in Children’s Ministry should never be nude in the presence of children in their care. In the event there is a situation that may call for or contemplate the possibility of nudity (i.e. changing clothes during a pool party, weekend or overnight retreat, etc.), the staff member or volunteer leading the event will submit a plan to the Children’s Minister concerning arrangements for showering or changing clothes.

ONE-TO-ONE INTERACTIONS WITH CHILDREN

Staff members and volunteers should never conduct one-to-one, unobserved meetings or interaction with children while participating in Children’s Ministry activities or programs. Another trained, screened adult should always be present.

TRANSPORTATION

Staff members and volunteers may from time to time be in a position to provide transportation for children. The following guidelines should be strictly observed when workers are involved in the transportation of children:

1. Children should be transported directly to their destination. Unauthorized stops to a non-public place should be avoided. Staff members and volunteers should avoid transportation circumstances that leave only one child in transport.
2. Staff members and volunteers should avoid physical contact with children while in vehicles.

3. No cell phones may be utilized by the driver while driving Church vans, or vehicles owned or rented by Crestview Baptist Church, unless in an emergency.
4. No drivers under age 25 may drive Church-owned or rented vehicles.

PARENTAL CONTACT

Parents who leave a child in the care of Crestview Baptist Church staff members and volunteers during church services or activities will be contacted if a child becomes ill, injured, or has a severe disciplinary problem while participating in Children's Ministry programs.

PARENTAL INVOLVEMENT

Parents have an open invitation to observe all programs and activities in which their child is involved. However, parents who desire to participate in or have continuous, ongoing contact with their child's program will be required to complete the Church's volunteer application and screening process.

PHYSICAL CONTACT

Crestview Baptist Church is committed to protecting children in its care. To this end, Crestview Baptist Church has implemented a 'physical contact policy' that promotes a positive, nurturing environment while protecting children. The following guidelines are to be carefully followed by those working in Children's Ministry programs:

1. Hugging, pats on the back and other forms of appropriate physical affection between staff members or volunteers and children are important for children's development and are generally suitable in the church setting.
2. Inappropriate touching and inappropriate displays of affection are forbidden. Any inappropriate physical contact, touching or displays of affection should be immediately reported to an immediate supervisor, the Children's Minister.
3. Physical contact should be for the benefit of the child, and never be based upon the emotional needs of a staff member or volunteer.
4. Physical contact and affection should be given only in observable places or when in the presence of other children or Children's Ministry staff members and volunteers. It is much less likely that touch will be inappropriate or misinterpreted when physical contact is open to observation.
5. Physical contact in any form should not give even the appearance of wrongdoing. The personal behavior of staff members or volunteers in Children's Ministry must foster trust at all times. Personal conduct must be above reproach.
6. Do not force physical contact, touch or affection on a reluctant child. A child's preference not to be touched must be respected.

7. Staff members and volunteers are responsible for protecting children under their supervision from inappropriate or unwanted touch by others.
8. Any inappropriate behavior or suspected abuse must be reported immediately to an immediate supervisor, the Children's Minister or an Elder.

SEXUALLY ORIENTED CONVERSATIONS

Staff members and volunteers are prohibited from engaging in any sexually oriented conversations with children and are not permitted to discuss any inappropriate or explicit information about their own personal relationships, dating or sexual activities with any child in the program.

SEXUALLY ORIENTED MATERIALS

Staff members and volunteers are prohibited from possessing (or transmitting to a child) any sexually oriented materials (magazines, cards, images, videos, films, etc.) on church property or in the presence of children in their care.

TOBACCO USE

Crestview Baptist Church requires staff members and volunteers to abstain from the use or possession of tobacco products in church facilities, while in the presence of children or their parents, or during Crestview Baptist Church activities or programs. Crestview Baptist Church is a tobacco-free facility.

ILLEGAL DRUG USE

Crestview Baptist Church forbids the use or possession of illegal drugs for staff members and volunteers. Crestview Baptist Church is a drug-free organization.

VERBAL INTERACTIONS

Verbal interactions between staff members or volunteers and children should be positive and uplifting. Staff members and volunteers should strive to keep verbal interactions encouraging, constructive, and mindful of their mission of aiding parents in the spiritual growth and development of children.

To this end, staff members and volunteers should not talk to children in a way that is or could be construed by a reasonable observer as harsh, threatening, intimidating, shaming, derogatory, demeaning, or humiliating. In addition, staff members and volunteers are expected to refrain from swearing in the presence of children.

RELEASE OF CHILDREN

At any time that a child has been entrusted to Children's Ministry staff members or volunteers, the Church incurs responsibility for the safety and welfare of the child. Staff members and volunteers must act to ensure the appropriate supervision and safety of children in their charge.

Children's Ministry staff members or volunteers are responsible for releasing children in their care only to parents, legal guardians, or other persons designated by parents or legal guardians at the close of services or activities. It is presumed a person who drops off a child has authority to pick up that child.

In the event that staff members or volunteers are uncertain of the propriety of releasing a child, they should immediately locate or contact their immediate supervisor or the Children's Minister before releasing the child.

CHECK-IN SYSTEM

Crestview Baptist Church uses a computerized check-in and monitoring system. This system allows children to be checked in by a parent/guardian/authorized individual into one of the provided children's environments and checked out by a parent/guardian/authorized individual once the event has concluded. The check-in system acts as a roster; enabling the location monitoring of each child during on-campus events.

WELL-CHILD

To minimize the chance of spreading illness, children who show signs of sickness will not be accepted into any of our children's environments. It is required that children be fever-free for at least 24 hours before entering Children's Ministry environments.

This is for the health and protection of all children and leaders. If an illness is discovered after a child is in the classroom, the child must be removed from the class and the parent/guardian will be contacted immediately.

Upon recommendation of the American Academy of Pediatrics, a child should not leave the home with any of the following conditions:

Fever	Persistent Cough
Diarrhea	Any Communicable Disease
Sore Throat	Barky or Productive Cough
Croup	Scarlet Fever
Flu	Measles
Unexplained Rash	Mumps
Pink Eye	Chicken Pox
Eye Infections	Strep throat
Green, Runny Nose	Cold (For one week)

SUPERVISION

Staff members and volunteers in the Children's Ministry are expected to provide adequate supervision for children in their care while working in church programs.
